

The background of the poster features a collage of images: on the left, a group of people in traditional attire; in the center, a woman in a white dress holding a large white cloth; on the right, a woman in a vibrant, ornate traditional costume. The text 'World LANGUAGES FESTIVAL' is centered, with 'World' in a blue script font, 'LANGUAGES' in large, multi-colored block letters (orange, red, purple, blue, green), and 'FESTIVAL' in white block letters. The year '2025' is positioned to the right of 'LANGUAGES' in multi-colored block letters.
