2022 City of McAllen Poet Laureate and Author, Victoria Lopez -- Victoria has always enjoyed to write; in 2015, she began to introduce herself as a writer and built her confidence by engaging with the community. Her first novel, *Fire in May*, was published in 2016, the same year she was selected as a tenant of the McAllen Creative Incubator. Victoria writes Poetry on Demand, a performative demonstration of spontaneous writing. Using her typewriter, you may give her a word, topic, phrase, question, feeling, or thought and she'll write you a poem to either keep or share with someone you love! "The most important thing about being a writer is identifying who you are and what you represent, what is your mission? What are you putting into the world? Spend time with yourself and be gentle, the words will come, and when they do, let them be authentic." You can join Victoria for Unfolded: Poetry Project workshops at the McAllen Creative Incubator.
